“ *Please accept my sincere condolences on the loss of your dear family member. I hope that your family will be encouraged and strengthened by the Bible's sure promises of the resurrection. Jehovah God has furnished ample proof in the Bible that He desires to resurrect our dear loved ones and restore them back to us (Job 14:14,15). He has resurrected humans in the past (1 Kings 17:17-23; Luke 7:11-15; 8:49-56) and He has promised to do so again, through His son, Christ Jesus (John 5:28,29). Although knowing about these promises will not completely take away your suffering, it can do much to provide you hope, and help you through this difficult time.*

“ Our heartfelt condolences to the Tubbs family. Words cannot express the pain we feel when we lose our dear loved ones. Our prayer is that you may find comfort through God’s Word, the Bible. Isaiah 25:8 tells us: “He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.” May you be strengthened and comforted during this time of loss.
