“ My dear Deb I’m going to miss you the rest of my days. We were never “just” first cousins and although we never even lived in the same state we somehow stayed close all those years. You were a best friend, little sister and confident. My heart is happy for you because I know you so wanted to be well again , see your sisters and mom & Dad. But mostly see your lord and savior. You Rest In Peace until I see you again. ❤️
