“ I was Mrs Bostick physical therapist while she was at Pleasant Villa. I have been knowing Mrs Bostick for 2 years and I enjoyed getting to know her. We would keep each other laughing. We had developed a good friendship. I will miss her laugh and smile. I will truly miss my friend.

“ My Mother was always the life of the party. And how she loved her family. And she was every ones Nanny. Right at this second I can't think about my life without her. But so thankful for no more suffering. Just another one of my dear family members turned Angel. Now I have my Daddy, my Son, and my dear sweet Mother watching over Missy and myself. R.I.P you were the Greatest. I love you so.
