It was so good to see Dianne at the Vinesville Baptist Reunion this year. Dianne was such a sweet, kind person. I enjoyed growing up with her and she always went out of her way to be a Christian friend to me. I am grateful to have known her.

My prayers are with ONeal, her children and her sisters and their families

The first time I visited the Presbyterian church in Trussville, I was new to the area and Diane immediately took me under her wing. She was so very gracious and welcoming; God shined through her smile.

While I did not have the opportunity to get to know her further, she left her thumbprint on my heart.

My prayers are with Diane's family.
