“ Don always called me kid. He would park next to us at church and after church he would come to our car and kid with me. When I went back to church after my surgery he would wait for me and want to know how I was doing. I along with so many people are going to really miss him. RIP to one of my very best friends. We lost one of the best people you would ever want to know but Heaven gained one.

“ He was the best father in law any person could have asked for. He was kind, generous and loving toward all in the family. His children and grandchildren learned so much from him and are better people because of him. I will miss him terribly and I know that he was welcomed with open arms into heaven. I appreciated the 30 years of knowing him. Love from his daughter in law always! Karen Burchfield
