Don and Jan Addington were dear neighbors and special people. Jan was a major reason I moved to Pleasant Grove. After she past away, Mr. Addington was quiet with an honorable presence in the neighborhood. I phoned him once or twice and he would always call back asking if he was needed. The last time I spoke to him was after the 2011 tornado to try to locate someone. He was a kind gentlemen and I shall always remember the Addington's and their impact on the community.
