“ *Growing up with Donette was a wonderful experience. There was always plenty of fun times filled with laughter. Summers were my favorite because Donna, Donette and I were inseparable. Holiday family gatherings were also a favorite as we would laugh and giggle at all of the adults and their conversations. As an adult I could count on Donette to look out for my mother as I lived out of state. During my mother's last two years she lived in a nursing home. Donette would visit her regularly and keep her spirits up. I will be eternally grateful for her persistence in caring for my mother and her Aunt Mary. Thought the last few years I have been apart from Donette, one can never erase the previous memories and appreciation I will always have in my heart. Donette had an amazing spirit. I will always love her. Brett (cousin)*
