“ Rick and Staci, I am in shock. It has been quite a number of years since we've been in touch. However, we have some great memories and some hilarious memories of being neighbors with y'all in Pascagoula. How time does fly, and how life does change and take us down different paths of life!
May the Guardian of Peace be with your family at this very difficult time, and may He hold your hand through this new journey. And may you find comfort in knowing others are sharing in your sadness.
Our condolences to you all.
