

DORIS JEAN MAYS

January 11, 2022

Our community sadly lost a valued member on Tuesday, January 11, 2022 when Mrs. Doris Jean Mays, favorably known as Miss Doris, passed away. Her contributions to the lives of many through her work at Union Hill Baptist Church and her personal life include Church Secretary, assisting the Homebound Ministry, working with the American Heart Association and numerous other programs.

Doris is survived by the loving community of Rock Creek and her two children; Michael Mays and Rebecca Dickson (Kenneth), and two grandchildren; Patrick Mays and Cassie Crews (Michael). Mrs. Mays is also survived by one brother, James Vines (Lynette) and several nieces, nephews and cousins. She was preceded in death by her husband, Charles (Ed) Mays, her parents, Leroy and Marjorie Vines, and one brother, Larry Vines (Sylvia).

Her legacy of service will live on in the hearts and minds of her family and everyone she interacted with, as well as those she reached but never met.

A special "Thank you" to the caregivers and those who assisted with her care; Home Care Ministry, Angie Mays, and Comfort Care Hospice. The support of this team allowed her to enjoy her final years at home.

Unfortunately, the current circumstances prevent a memorial service and a graveside service will be for immediate family only. We know there are many who wish to share their stories of remembrance and there will be a memorial

service held in the future.

Her faith and passion for service to the community are an example of her selflessness. Flowers deliveries will be to Peoples Chapel Funeral Home. In the spirit of our community donations are always welcome and can be made to Union Hill Baptist Church.

“ There are few people on the planet that have ever been as kind and thoughtful as Aunt Doris. She was a blessing to all who encountered her. She lived her faith in all her works.

She and Uncle Ed were there for us when my parents were ill, and when they died. My father- in- law died on Friday before I lost my mother on Tuesday. She and Uncle Ed got lunch to our home before we could even get home. they watched William for us when my father was in the hospital a time or two when no one else could. She would make lunch for Uncle Ed and Mike when they were working together and invited my husband ,Noe to join them . She taught him how to appreciate Southern Cooking. Half of Mexico knows of the wonders of Aunt Doris' cooking! William agrees as well as myself. Love in every delicious bite! A dearly missed Very Dear Lady, Aunt Doris. My heart goes out to Becky and Mike and the kids. We love you all. Thanks for sharing a little bit of her with the rest of us.

“ I had the honor of helping with Miss Doris' care as a caregiver. But she was so much more than a client. We all became very attached to her. She never lost her wit and spirit and most importantly her faith in God. She always prayed the sweetest prayers and only asked God to take care of others. She will be sorely missed. Rest in peace sweet Doris. I know you are reunited with your Mother who you always remembered and talked fondly of. My condolences go out to Becky and Mike and the rest of the family.

“ Thought I would share a quick story of Mrs. Mays (Doris) who I have met a couple of times prior. My wife and I (Craig and Sheri Hamilton) are Great friends of Becki and Ken. I recently purchased a truck (Ford) and they asked if I would help deliver a new refrigerator to her house. So Ken and I picked up the refrigerator and took it out to her home. I was amazed the street we turned on to the house was Mays Street! She was supposed to be gone to lunch before we arrived. She new something was up and we arrived before she left. We attempted to come up with a story as they were driving off to lunch. To no avail she returned within 30 minutes to catch us installing her new refrigerator and placing old one out near the garage area. Needlessly to say our plan of switch and bate didn't work. She was still on her game! The funny thing is she had a cat that when I went to use the restroom before leaving it came after me. It scared the crap out of me btw!! Great Lady and glad I had the opportunity to meet her!!
