“ To my dearest Nanny, Up in Heaven, high above I know today you're with us all, and sending all your love. Today we all remember you, And bid you one last goodbye, celebrate the life you've had and maybe have a cry. You'll never be forgotten Nanny, I'll just close my eyes and see, your smiling face and feel your love And you'll be close to me. You had such a long life, so many have so less, It was your time, the Angels came, and placed you with the best. So dear Nanny, up above although you're no longer here, in my heart is where I'll keep you, forever, you'll be near.
