“ *Doris Whited was for me a very entertaining individual for many reasons. She referred to me as the TV girl since I fixed the TV for her and her daughter. She enjoyed an occasional margarita. She watched westerns like they were going out of style. She could give you the sternest look possible. She once asked me how do you know anything about a broken hip, did you break yours? She will be deeply missed.*

“ *I am so sorry to read that Mrs. Whited has passed away in death. Please accept my family's condolences. May your hearts find peace and comfort from the Bible's promise at John chapter 5 verses 28 and 29 which holds out the hope that we can be reunited with our dead loved ones.*
