

## **EDDIE CAROLYN NETHERY GRIMES**

October 15, 2024

Grimes, Eddie Carolyn Nethery, age 81, of Hueytown, passed away Tuesday, October 15, 2024. She was born in Birmingham, Alabama, on April 1, 1943. Carolyn attended Hueytown High School, Birmingham Southern College and enjoyed her sorority Alpha Omicron Pi. After college, she began her banking career at the Federal Reserve Bank in Birmingham and retired from SouthTrust Bank.

Carolyn adored music and began playing the piano for the Presbyterian Church during her college years, where she majored in organ and German. She never stopped playing and continued for the rest of her life. She was a faithful member and organist at First Methodist Church in Hueytown. Carolyn was a loyal friend to all she met, lighting up any room with her smile. She enjoyed spending time with her family and friends, serving her church family, and contributing to her community. Some ministries near and dear to her heart included attending the Fine Arts Club and the Study Club, cooking for WEAC, and playing handbells.

Carolyn enjoyed reading, traveling, and exploring the world while looking for angels to add to her extensive collection. Her sanctuary was near any body of water—be it a lake, a river, or even a pool. However, her happiest place of all

was walking along the beach, contemplating the ocean.

Carolyn is survived by her husband, Ricky; her children, Holly Grimes (Richard), Megan Hopkins, and David Grimes; and her beloved grandchildren, Sarah Grace and Hannah Faith. She is also survived by her extended family, Jerry Hopkins and Michael Hopkins.

In lieu of flowers, donations can be made to First Methodist Church Hueytown, Big Oak Ranch, or St. Jude's.

A family graveside service will be held at Pleasant Ridge Cemetery on Friday October 18th at 2:00 PM.
