“ I moved here 34 years ago and all I have is the most pleasant memories of Mr. Robbins and Barbara. I've stopped by and visited with him had always had to stop when they were in the yard working her on the porch. I don't think I've ever known two more pleasant people. I didn't see any charities set up to donate to , but I'm gonna send a donation to Saint Jude Hospital. I think he would be pleased with that. Condolences to all of you, the family because I know your heart must be very heavy.

“ I had the honor and privilege of working with Earl for 31 years. As a law enforcement officer he was guided by a firm set of moral and ethical principles that set the example of all who had the opportunity to serve with him.
Earl was a man of character, integrity and moral courage who lived out his faith in Jesus Christ and touched the lives of all those in his circle of influence, both professionally and personally.
Our families shared many great times of fellowship over the years. To me he was that friend described in Prov. 18:24: "...there is a friend that sticketh closer than a brother." His was a servant life well lived and He will be greatly missed by all who knew an loved him.
