“ My dear Aunt Erlene, not sure how we all are going to be without you here. You have always been a constant in my life. You even got on the train In 1957 with my Mama as she brought my daddy back in casket to Alabama. You and Mama were 18 years old.

My kids grew up swimming at Aunt Erlene when we were home for a visit to Alabama. The reunions at your house were awesome and always a good crowd. Your love for us has always been unconditional. Thank you for being able to make the road trip for Uncle Elmer's service and also, for all you for stopping in Oklahoma City to pick me up on the way. We sure love each other to have made that sad trip and all of us got home safely. You well be dearly missed, always love and forever in my heart. I love you
