“ I didn't know this sweet lady, I was here at this site to leave a message for my great aunt who also just passed. But this sweet face caught my eye and then reading about her just brought tears to my eyes, what a BEAUTIFUL life. I can imagine the sweet love story in my mind ,her mopping and him seeing her and it was love at first sight I'm sure! She has such a big loving family and I can tell she was very much loved and that's getting rare to find these days. I just wanted to to say I'm sorry for the loss of this precious lady I know she will be missed , she's still touching lives,because she's touched mine and made my heart a little softer. Thank you Mrs. Wheeler. 🌹
