“ Mrs. Evelyn was the most caring, loving, person. I have known her my entire life as I lived next door to her when I was a child. I have very fond memories of her, Waldo, Kelly, Jodi, and Owen. May Mrs. Evelyn rest now in Heaven as she is reunited with her loved ones that have passed before her. My thoughts and prayers are with all the Flowers family. Mrs. Evelyn will be missed. God Bless all of you.

“ Evelyn and Waldo were lifelong friends of my parents, Eules and Mary Clyde Johnson. My parents and Waldo grew up together. Evelyn was one the sweetest most graceful people I have ever known. She was my Mom's hospice nurse in 2010, and it meant so much to our family. I know it had to be hard for her to take care of friends, but it was so helpful to have someone we trusted and knew. She was so sweet to call and check on me numerous times after my Mom passed away. She was a special lady and will never be forgotten. I know all of you are proud of the impact she had on those who knew her. Prayers for the family. Beth Johnson Rhea

“ Evelyn was a dear, sweet Christian lady who loved others, just as she was loved by all who knew her. My sincere condolences for her fine family. May they take comfort in knowing that she is in Heaven, and that her life was a blessing to many. “ Mrs. Evelyn was our own angel. She loved and cared for her friends and patients with a fierce love! For 18 months she was my mother’s hospice nurse. She had known my mom all of her life-but she chose to care for a friend. Mrs. Evelyn loved and ministered to our entire family. She encouraged us and taught us how precious the time with our mom really was. It was heartbreaking to me when Mrs. Evelyn was diagnosed with pulmonary fibrosis-the same disease our mom had. Mrs. Evelyn’s children have loved and cared for her with incredible strength. I know she treasured being surrounded by her much loved family. My heart breaks for the family and there is a hole in my heart left by this woman I loved and respected so much. Our sincere prayers are with her family.

“ I have so many memories of Evelyn and Waldo. They have known me me whole life and have been wonderful neighbors and friends. Evelyn and I were also co workers later in life for Hospice and she was the BEST nurse and caregiver ! She also took care of my Dad and Mom which I know was very very hard for her because they were also her good friends. Evelyn is just so special and I will always be grateful to her for her compassion and grace when caring for my parents! I will miss her sweet spirit and beautiful smile!  
Love the whole Flowers bunch! Amy Roberson

“ Evelyn came to our family as my daddy’s hospice nurse during the last few weeks of his life. It soon became obvious that she wasn’t here just for him but for our whole family. She was kind, compassionate, stern when needed but most of all a true witness as a servant of the Lord. Prayers for her family...thank you for sharing her with us. GOD keep you in his arms and comfort in ways only he can.

Praying for the family of Evelyn. Evelyn, my cousin, was the sister I never had. She was the most caring Christian person one could ever know. I will have lasting memories growing up with her in Alabama. I will miss her but know that she is with her Heavenly Father and reunited with her beloved husband, Waldo. May she Rest In Peace.
