“ *Dear Burns family, I just wanted to share my condolences on the loss of your mother and grandmother Faith Burns, I have some great memories of your mother and daddy when they would visit the Iceberg Restaurant way back then, they were some of the nicest families that graced the doors of this great restaurant in Hueytown! “ Faith was such a lovely lady. I commented to Roxy one time that I could actually get diabetes just by being around her and Ken because of their sweetness! One time I accidentally sang an original birthday song to her on the phone. I thought I was singing to Roxy. She let me sing the whole thing and did not interrupt. When I finished she was laughing hysterically and was finally able to tell me I had the wrong person. I'm thankful to have known her. Love to all the family.
