“ *Wish I was with JoAnn and family at this time. I will always have my memories of the things we did as kids. The warrior river ski trips I will remember every day. Rest in peace sweet cuz*

“ *Bubba was a close friend in high school. Most of all I recall the many hours we spent together in Study Hall, discussing all the world's and our own problems. I'm sending my condolences to the family at this time of sadness. In time I trust you will find many good memories dominating your thoughts of Bubba.*
