“ *Dearest Johnston Family, our frequent thoughts and prayers have been with you this past week, as you laid your precious wife and mother, Fran, to rest in this life, yet to awaken the joy of the Presence of her Savior, to the beauty and wonder of Him whose face she now beholds.*
We send our love and deepest sympathies, especially at this time, as you have said - not goodbye - but "Until then," And Fran, we say the same. We already miss you now...but in yet a little while, we will meet you at that Beautiful Gate! Do watch for us! What a sweet Reunion that will be! With Love Always, Bob and Cathy Voegele

“ *James, Chuck and Doug,*
Sending our deepest sympathy and love to you. Fran was a great sister in law to me when I was married to Sterling. She was also a good friend. She loved Tiffany, Robert and my grandkids and I will never forget her.
Our thoughts and prayers are with you during this time.

“ I was blessed to work with Fran at Medical West. Her strength was something I greatly admired...with her ups & downs of her health she always remained positive.

I knew her first as “Aunt Fran” from the ballpark was able to reconnect with her at work.

She will be truly missed by all those who know and love her. My prayers are with her family.

Dearest Johnston family, Bob and I send our love and deepest sympathies. You all have been in our frequent thoughts and prayers throughout this week, as you laid your precious wife and mother, Fran to rest. ... As you said - not goodbye - but “Until then.” And we say the same, Fran. One day we will see the dear face of our Savior, as you now have the joy of beholding. It may be yet a little while, but one fine day we will look for you at the Gate! With love always, Bob and Cathy Voegele
