“ *My grandbaby, your great grandson, was born in December, we stared at him trying to decide who in the world he looked like. I pulled out the few photos I have of you as a young boy, and we decided we saw alot of you in him. I am sorry you will not get to meet him. I always hoped the Army would get us closer so we could visit more. You will be missed, even if we didn't get to visit, we new Alabama was a place we'd always be welcome.*
