“ Tim, Bridgitte and family, I am so sorry to hear this sad news. I'd only met him a few times. I see we had lots in common. 😊 I smile knowing where my love for fishing and a good game of 8 ball came from. I would've loved dropping a line in the river and shooting some pool with him. Uncle Gary, you'll be sadly missed but dearly remembered by so many that loved you. With all my love and prayers, may you find peace and comfort now.
Thank you, your niece Cheryl. 🙏❤️

“ I've known Gary for over thirty years. We've played a lot of golf together; he always beat me. We've played a lot of pool together; he was a better shooter than I will ever be. We bowled against each other for years; it's the only thing I could stay with him. We smoked a lot of cigars and a few beers. I'm gonna miss my buddy.
