“ My heart is so sad, and broken at the loss of Gary. He has always been the kindest man who loved his God and his family above everything else. He would help anyone who needed help. God needed Gary, but it is hard to let our lifelong friend go. For Gary there was “joy in the morning “ as he was reunited with his family who preceded him. Blessings to Cindy, Jonathan and all of the Hogan family. We love you.

“ Coon hunter was always a joy to be around. He would always have a joke to tell you or always had that one deer story. He was always tough on me but that's the way he showed that he cared about you. He was one tough man and will be truly missed. I've known this family for many years and i will continue to share my love and my prayers with them.
