“ I will never forget the youth hunt he took me on as a young man. He taught me more about deer hunting in one day than most people learn in a lifetime. I will miss his caring heart and love for Jesus. When the drama team came to him years ago to see if he had any scrap wood we could use to build a cross for a Easter drama Gary Wayne stopped us and asked if it would be used on Easter Sunday. We said yes and he immediately stopped the project he was working on and made a cross for the drama out of his good lumber. He didn't have to use the good lumber or build it for us but he did and I will never forget that.

*All my love and prayers to the family.
