“ To all of the Carter family, I bring prayers and care from Gary Furr and the Vestavia Hills Baptist Church family. Gloria was a wonderful lady, and the whole family are just the best. She fought a great fight, and through Shane we have been fortunate to get to know her. Blessings in this hard time, for peace and consolation. She was a woman of dignity and faith.

“ My heart is very saddened to hear Gloria (my cousin-n-law) has lost her battle with cancer. A lifetime ago, it now seems, we were neighbors for a short time----a fun time----a tiny Gloria with long hair hanging down her back nearly to her butt, such a young beautiful bride of my cousin Ronnie. The years have flown by way too fast.... Gloria, please fix Toby some Taco's and ask Doris to cook you some butter beans for now you are truly in the "Gloryland"; not just the earthly place my Granny Carter jokingly referred to frequently when asked where Ronnie was at. Lol I know God is victorious and I will get to see your sweet smiling face again someday. Ronnie, my prayers for God's comforting love to help the hurting in your heart and in the hearts of your whole family have been sent up and I know has already arrived and will continue to be there for y'all always. Much Love... Donna

“ Dear family, I am so proud to be apart of her family, she was so dear to my heart and she always will be, she was more like a sister to me instead of 1st cousin, she has always been there for me in every situation and I can only imagine what a VOID you all have in your lives. She was truly an angel on this earth. God knew what He was getting when He called her home. I never have liked the word "HATE" but I hate cancer with a passion. Oh, how I wish God would let us find a cure. She was too young to fall to it, cancer took her uncle "Red" at age 62 also. I love her and I will never forget her. She is my guardian Angel and I am PROUD to have her on my side. I am praying for you all, never forget the love she has left y'all with and ALL the precious memories, hold on to each one. I love you all and if I can ever do anything never hesitate to let me know. My heart is breaking for Ronnie, and her children they had a love that will nor can ever be replaced. Ruby
