“ I am so sorry to hear about your mother. My mother (Sherry Bailey) thought the world of Gloria. They worked together at Foodland for many years and Gloria always stopped by and checked on both of my parents when she was able. My thoughts and prayers are with you all.

“Gloria was a beautiful lady inside and out. Always loved talking to her when I went grocery shopping. always asking aunt family. We ran a gas staying 15th and she and your dad always bought gas from me, we always pumped gas for our customers, and your parents really enjoy us doing so. I remember when she said that you wanted her to move to California. I am sorry for your lost. She will be missed.
