“ *I'm so sorry that no one was able to reach me when Daile passed away. Bill had died on 23 December 2014, and I was in no shape emotionally to accept losing Daile as well; but I would've attended her service just the same.*

*Daile and Stanton meant a lot to me - especially Daile. I could always count on Daile to see the humor in the same things I did, and can't count the number of times we'd laugh until we both hurt. She was my friend and I will always love her.*
