“ Greg and I were brothers. We completed each other's sentences. Our taste in music was exactly the same. We played drums together. He was the best person on Earth.

Greg was the best dad I've ever had. He took me in as his own, and that means more to me than anything. He was such a good man. I'm glad I get to call him my dad!

From the son of two manificiance parents Jimmy & Judy, we all look forward to meeting again one day soon at God's throne. Glory to God. Prayers of love to the family. When we all get to heaven what a great day that will be. Our greatest hope, to one day be together once again.
