“ Hubert and I went to school for 12 years, We went seperate ways from school to just recent last months. We reconnected on Facebook and shared many laughs and got reacquainted. Hubert was always a fun loving guy and later in life he loved to make people laugh. He told me I was the only one down here with a sense of Humor. I am so glad that I got to message him back and forth before his untimely death. He will always be remembered by me. Thanks for the memories Hubert. Rest in peace. all of your family have my deepest sympathy and may God give you the strength and courage to get thru this time of sorrow
