“ *Deepest sympathies to the family and Harry's daughters. I met Harry in 1984/85 when I worked at Graf's. Harry came in for pictures & was such a nice & funny person. We became friends & he would stop & check on me when he was in the area, always wearing a suite. He always had a funny stories and he loved his girls. I still have a picture he gave me. Over the past 30 years I've thought of him many time & recently inquired about him at Highland Memorial. He was a ray of sunshine. He always brightened my day and I'm glad our paths crossed. I enjoyed the laughter and friendship. I hope he found love, happiness & had a good life. Memories of our talks still bring a smile to my face. Heaven gained an angle but, the earth lost a beautiful soul who will be missed by everyone he met. Prayers for the family. I am truly sorry for your loss. Debbie*
