“ Dear Kathy, Jeffery, Jeremy, and family, I Know that you are having a difficult time, but God's GRACE will get you through it all in time. No one has loved his family more than Harvey loved all of you. Harvey had a good name and that is to be valued in this world today. His name has special meaning too. H-stands for heart. Harvey had a heart for everyone he knew. He had a born-again heart that loved Jesus and he lived for what he loved. He lived for Christ. A-stands for assurance. The hurt is painful but be assured that you can see him again someday in heaven. R-stands for redeemed. He was redeemed (saved) by the blood of the Lamb. V-stands for victory. He today has complete victory. Cancer cannot touch him now. He had complete victory over sin and death thanks to the old rugged cross. E-stands for eternity. His life did not end at physical death but at that moment he just entered into eternal rest. He is more alive today than he ever has been. Never to die no more. Y-stands for YOU family. He lived for you because of his love for you. Now you take his place and be the example of what a true Christian really is. Kathy, take care of yourself. It's okay to cry. Heaven will bottle up your tears. As for me, I was glad and privileged to be called your pastor/preacher some time ago. I promise to pray for you all often. And family keep looking up because surely, the Lord is coming back soon.

“ *Harvey knew his sins were forgiven by the shed blood of Jesus Christ. His favorite verse was 1 Corinthians 2:9 But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.*

Harvey was a godly husband, father and Grandfather. Everyone who came into contact with Harvey knew he was a Christian man who loved the Lord with all his heart. We are greatly saddened by his loss but await our reunion in heaven.
