“ I miss you everyday, Helen. I will always cherish the wonderful memories that you and I shared. You were my Best Friend that I had on this Earth. I miss our talks . We talked everyday. I know that you are in a much better place and are walking the streets of gold with our Lord . I sure do wish I could talk to you now . Mom not doing well at all. Please come down and guide her home when its her time. I Love You and Miss You ! Its hard to believe its been 2 years. I have saved several of your voicemail messages just to be able to hear your voice. I continue to pray for your family . Its so hard to lose a momma / Grandma ❤️ .

“ Sherry and family, I'm so sorry for the loss of Helen. I've known Helen since we were kids. Went to church and school together. Used to go home with her sometimes after church. She was a good person and fun. It's been a long time since I've seen Helen. I'm sorry we didn't stay in touch but I thought of her often and always considered her a friend. I know she had a lot of medical problems and thank God she doesn't have them now. Love you always Helen, my friend. ❤️ Sue Stinnett Aymond

“ *My condolences to the family of Helen. I worked with Helen many years in the past. We were closer friends in the past but had not seen each other in recent years, only to talk on the phone. I will miss my friend truly. Many good memories of more healthy times: New Orleans, the Roller Coaster and Hogan's. I hope she can see me smiling now. Love you, Helen.*
