“ My condolences to the family. Helen was a delight to get to know when I was on sabbatical from Ohio University and working at Civitan International (Sep 1998-Mar 1999). She welcomed me and provided insight as I spent time at the office. We met for lunch when I had occasion to be in Birmingham. Sadly, I was not in touch for the last few years. May she rest in peace.

“ My prayers go out to the family in this time of sorrow. I recently buried my father and know what they are experiencing. Steve and Cindy are close friends and have stood by his mother taking care of her in every way he could. God bless you both and your family.
