“ *Aunt Henrietta was a very special part of the Mareno family. Looking over the decades some of our favorite memories are being with her, whether in California or Alabama. Her smile and laugh were contagious. To me, she was the "cool Aunt" since the time I think I first met her when I was a teenager.*

My Dad, Charles Mareno, loved his little sister very much and looked forward to her calls over the years. He knew when she would call, they were very close and loved talking to each other. Aunt Henrietta knew that my Dad loved Alabama football and for many years she would mail the sports section of the Birmingham News to him and he looked forward to receiving it and reading it week to week. She is now with her big brother and sisters, reunited.

My family's prayers are with Lee Ann and her family and Richard in this challenging time. May the peace of God be with your Mom, Uncle Ronnie and the both of you. Once this time has passed, you will have incredible memories and smiles when you think of your Mom. She was an amazing Aunt to me, my wife Diana and my kids. We will miss her.
