“ I am so very sorry to hear about your loss and I'm keeping all of you in my prayers. I am also remembering all of the stories that Daddy used to tell us about 'ole Henry - especially about the nicknames Henry made for Daddy - which he really loved! I'm very thankful that Daddy and Henry were able to share some fun times together over the last few years as neighbors as well. All my best wishes and prayers.

Phyllis when I come home to visit Mom we'll stop by to visit with you, and if you want you can go out for breakfast with us. Sending you and Patti a big hug from Canada.
