“ I meant Holly in Fultondale City Jail where I was there for a traffic ticket to get paid off and I was having a hard time, she was the most kindest girl to me. We read the Bible together every night, ate all our meals together, and read our books together every night. On her last day there before she was released right after breakfast, she had money on her books and bought me snacks from the vending machine and gave them to the guard to give me before she left. After I was released I kept in touch with her just to make sure she was doing alright and she was home with her mother and her little sister doing well she said. Anytime all is down she uplifted me and always put a smile on my face! she was such a good person to have around.. Holly Will Truly be missed. Such a sweet Soul gone to soon.
