“ *Fewer words have been truer in my life than the one's Pam spoke to me one rainy night on a trip from Canada to Alabama as a teenager, "When you meet my mother you will love her." I had the pleasure of spending only a few days with Irene over the course of the last 20 years but I will always be reminded of her quite kindness and clear devotion to making others around her feel welcome. Clearly her impact is felt even in the great white north and she will be missed by all who knew her.*

My heart felt condolences to my step mother Pam, my siblings, and to Larry and his family.
