“ Jackie and I were great friends from 7th grade until we graduated. I'm so glad I got to be a part of Jackie's life these last few months. The first time I visited her it was like old times again. We laughed so much remembering the good ole times. It didn't matter if we were together or on the phone we would always end up laughing. You will be missed my friend. RIP JACKIE

“ I am so very sad. I will always cherish the fun and laughter that spelled out Jackie (Jack-o-lantern)! You could not be around this sweet lady without laughing uncontrollably, until tears rolled down your cheeks! There is not another person, I have ever known, who would make everyone around her, happy...just being with her, or even the thought of her! Jackie had such a loving way about her...when Crystal & Valerie were little, she would gently scratch their backs..."She said "they loved it and it helped them go to sleep." I have a beautiful, sleek glass cake stand that she & her Mom gave me, forty years ago...I have treasured it, never so much as a chip on it and think of her & her Mom every time I use it. What a priveledge to have had Jackie for a friend. My regret now, is not having enjoyed being with her, while she battled for her precious life, these last for years. Forgive me, Jackie...I love you and will see you on that "beautiful shore." Mary Ann
