“ I know where U R, but more than that I know where he is, and that is all that matters today, praying for comfort, your loss is God's gain and just like always he was there for his family, he has gone ahead to help God do the same!

“ My most sincere condolence to Jackie's family. Jackie and I attended Concord Elementary school together - our parents were good friends until my father died Mar. 1974. Miles and years have passed but my memories of Jackie and his parents from my childhood remain sweet.
