“ *What a sweet neighbor. He welcomed us and made us feel like we were part of the neighborhood. Very loving, caring and kind. My hubby and I will miss our Neighbor James. I will miss him starting up at me from his seat at Karoke when I would sing. Very kind and gentle man.*

“ *Just about every morning as I sat on my porch I would watch James hitting his golf balls. some mornings he would come and sit with me or pick at Jemma and Jaz my granddaughters. Whenever he was out there with his ball cap turned backwards I would tell him to turn it around he was to sexy with it that way. Always full of laughter and fun. I will miss seeing him and talking and laughing with him but I know he is at peace now. I thank him for all the years of friendship and love he has shown my family.*
