“ Teresa, we are so sad to hear of Jim's passing. Remembering fondly our childhood days and family trips together. He was my best buddy and we got into lots of trouble together, although I think your dad didn't mind us driving that old dodge all over the dirt road and through that long front yard. So wish we had gotten all together in our adult life but I missed the opportunity. Debbi, Sandy, Sammy and I send our sincerest sympathies to his family and his sweet sister, Teresa (T-Ann).

“ I worked with Jim from 1987 until 1990 when I first moved to Birmingham. I always found him to be an easy going guy. He was very friendly and did a great job of taking care of customers. Jim could handle any task given to him. He was a "can do" kind of guy. I'm very sad to hear about his passing at such a young age. Our thoughts and prayers are with Jim and his family at this time of sorrow.
