“ *The friendship with James and Vonell started many years ago in Tarrant Alabama. Pat and Larry were just little children and my Mother Doris McCay loved having them at her house to play with Denny. Fond memories for my Dad, Levi McCay include sharing gardening tips, talking about work and later what they were doing in retirement. James kept busy and really enjoyed his home and family. He will be missed, but good memories of him will always be with us. We love you Pat and Larry: From - Levi McCay, Denny McCay, Lynette McCay Oden and Lynn Oden.*

*So sorry we can't be there to share this day with you all. Uncle James was a very special man. Loving, big hearted, and God fearing. I was so glad that I got to visit with him in July when I brought my grandchildren. I'm glad they got to meet him. It was so funny, as a kid we always gave Uncle James tomatoes. He had to give us some tomatoes this time. That seemed to brighten his day. We had a good laugh. I know he is in heaven rejoicing with Aunt Vonell, his dad, mama, Uncle Frank, my dad, and others that have went on before him. He will be greatly missed. Love you all more than you'll ever know. You'll be in our thoughts and prayers today. Love, Kay, Marty and Family*
