“ I recently reconnected with Bokie on FB after many years of no contact. I was so impressed with his Spirit, and his bold words about his Savior. I had always been touched by the way he treated his mama; he LOVED his mama...and his children! He was a good man, a thoughtful man, a kind man, and he will be greatly missed. I am so sorry his family; they will miss being led by his wisdom. Until you guys meet again...he waits. (For you)

“ My deepest condolences and my prayers for the family. Jim will always be "Bokie" from my childhood and my youth. He loved picking at me and giving me a hard time, which really meant he liked me. Those days in Vinesville will always have a special place in my heart and Bokie will always be a part.
