“ *Uncle Jimmy and Aunt Louise were always sweet and loving people of whom I have many wonderful memories. I am grateful that I was able to know them. My thoughts and prayers are with David and Teresa and the rest of the Reed extended family in this difficult time of loss. I hope that they are comforted by having had Jimmy with them for so many years so that he was able to know and love his Grandchildren and Great Grandchildren. I'm sure that he and Aunt Louise will be smiling down at the whole family as you gather together to honor his memory.*
