“ Really enjoyed getting to know James' (Poppi), he was funny and loving and we enjoyed sharing Friday nights from time to time with him going out to eat. He shared many stories with us about the military and his many bike rides/trips to Fl. He will truly be missed.

“ *So many memories of poppi. We went to dinner every Friday night for a long time. We mostly went for Chinese as he loved eating Chinese food. We would hang out eat and talk about lots of things,like motorcycles, cars and life. We would also go to his favorite store sometimes which was Harbor freight. He always found something to buy. He was a great man who helped me with lots of things. He will be greatly missed by me and all who knew him.*

“ A good neighbor of forty years, a good friend and an all-around good guy. We bowled, played a little golf and had hours of discussion about anything and everything. Your right that Buddy could fix just about anything and was knowledgeable about a lot of things. Gona miss him.
