“ Jonathan and Alan:  
So very sorry that I couldn't be there unfortunately I just heard. Your family was a part of my childhood that I would gladly relive. I learned to ski behind James' boat and he always came to Mama Alice's house when he was at his farm. Memories are what our lives are made of. My daddy loved him. Sincerely you have my sympathy.

“ To The Snider Family, I send my heartfelt sympathy.  
Mr. James was a truly a gem, and always a pleasure to be around. I will always remember his kindness and glowing smile that was very much contagious. He was a wonderful person and I will always commemorate him fondly.  
May all your memories help to sustain you all at this most difficult time,
