“ *Jane was my Postmaster, friend and mentor. She taught me the basics of managing. She taught me that women in the work place needs other women to encourage and hold them up during hard times not to put them down. I still quote a lot of her ideologies to the people I mentor. She was a wonderful woman, friend and mentor. I am truly saddened that the world has lost Jane Harper.*

“ *Jane was both a loving cousin and a wonderful friend to me for almost 64 years. She was also a devoted wife to Eddie who passed 19 years ago and a loving mother to her sweet, beautiful daughter Randi. She was also a leader in her career field. She will be greatly missed by all who knew her. The only solace is knowing she is reunited with her beloved husband.*
