“ *Devin and Steven-  
I am so sorry for what your going through. I know there is nothing I can say to ease what you are going through. You guys are in my thoughts and prayers. Your mom was a special lady and you know you will see her again. I remember your parents picking us up as kids taking us swimming at your grandparent' s house. Those were great times.*

“ *Janice is one of my many cousins; we grew up together, playing in her playhouse in the back yard. Several tea parties. Also, several nights at each other's home, staying up all night, giggling and eating fried okra. She will be missed.*
