MD

Uncle Steve I just read this and even though I am really late saying itthis means the world to me. It has been a very long time but I remember you well too. I remember you taking out 4 teeth for me so I would have room for my braces. I remember that I was scared for anybody else except you. It didn't hurt at all with Uncle Steve's magic powers. Wishing you all the best in life. I miss Bubba every day! . Jeff's sister Michelle Devine (f/k/a Michelle Dickey
