“ To my sweet friend Jenny and her family,
I am so sorry for the loss of Jenny. She was a special friend growing up and we shared so many wonderful memories together at Crossroads and doing crafts, painting together in our adulthood. I love you and your family so much and I'm praying for you all. She will be in my heart forever ❤️

“ Mike, Jeanie and family, we were so sad to hear about Jenny. She was such a sweet girl (I remember her as a girl and not as a grown woman and mother). She dealt with so many serious physical issues with extraordinary grace. We can't begin to know the pain and sadness you and her family feel right now. We will be out of town tomorrow but our thoughts and prayers are with you and your family during this difficult time. Mike and Robin Vickers
