“ I've known Jeremy since elementary school and onward to high school. He was a great person to know and equally a great caring friend. Life is too short and I will truly miss him. Many blessings to his family.

“ Jeremy was such a kind sweet soul. We were just getting to know Jeremy again since his move back to Alabama. Our solace is that one day we will see him again once our family chain is linked together in our heavenly home. I love you sweet Jeremy you will always be a part of me. God bless my brother Kenny and Cindy. I know how you are feeling and I am praying for God's comfort for you and family.

“ My deepest sympathy to the Gray family at this time. Jeremy was a nice young man. Always polite and interested in what one had to say and always had something nice to say in return. I will miss talking to him when I visit his parents, Kenny and Cindy. May he rest in peace.
